Don Schilling of the EDC Board stated that the EDC Board is not backing out on this 45 acre area next to Wal-Mart, but the EDC feels that the Chamber should take the lead and the EDC will continue supporting them.

Darren Burkhart of HNTB told the Board that he had talked to Carter Keith of INDOT and letters are suppose to be going out in a couple of weeks. Darren said that Mr. Keith sounded very positive about the Lincoln Street Project and he hopes to have something to the Board on the revised break down. There are no new surprises on any increases or decreases. The survey of existing right-a-way is complete and will be getting that to the Board. The preliminary lay out looks good and they are looking into the drainage situation. The review should be by December.
