

BOARD OF PUBLIC WORKS AND SAFETY MEETING - SPECIAL
JUNE 15, 1999
TIME: 9:00 A.M.

PRESENT: Mayor Frank Manus, Herb Scheidler and Bob Porter.

This Special Board of Works meeting was called to review quotes for manhole rehabilitation. They will be redoing about 20 manholes or 200 vertical feet. These manholes are leaking.

Jeff Smith, Wastewater Superintendent had submitted a budget at the first of the year and manhole rehabilitation was included in this budget that the Board of Works had approved in the amount of \$50,000.

Jeff was only able to obtain two quotes and these are from Tennessee and Alabama. Hall Contracting Corp. of Tennessee being \$28,775 and Pressure Concrete, Inc. of Alabama being \$28,000.

Motion by Herb Scheidler and seconded by Bob Porter to approve work and quote by Pressure Concrete, Inc. being \$28,000. All ayes. So passed.

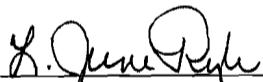

It was noted that there is a company in Ohio and the City did use them one time and was very unhappy with their work. It was stated that the time the company out of Ohio was used the City could not get them to come back when called and that their work was sloppy. Because of their unsatisfactory work they were not contacted for a quote.

Meeting adjourned at 9:10 A.M.
