Bryan Robbins reported that the Christmas Walk Parade will be held on December 3, 2010. He would like to mimic the 4th of July parade route as it seems to work well with businesses and draws a good crowd. This route would begin on North Franklin and end in the Mainsource parking lot. Setup would begin around 5:00 p.m. with the parade beginning at 6:00 p.m. The streets would need to be closed at the beginning of setup and would be opened back up when the parade ends with an expected time of the streets being closed around an hour to an hour and twenty minutes. Mayor Herbert and Fire Chief Scott Chasteen remind Bryan to contact Porters, other local business owners and residents of the time frame. Mayor Herbert expressed his concern of the parade taking place in front of Porters Funeral Home if they are having a visitation at that time. Rodney King suggested that if there is a visitation that Bryan have an alternate plan. **Motion by Darrell Poling and seconded by Steve Simmonds to approve the original parade route as well as a secondary route if needed for the Christmas Walk. All ayes. So passed.**

Gary Murray gave an update on the Lincoln Street Project. He informed the board that the parcel had been obtained to move on with the Floral Court portion of the project.
