Peter J. Fritz of Ratio Architects of Indianapolis came before the Board with a contract agreement for signature. This contract agreement is for the downtown revitalization plan. HottCity has received a \$50,000 Community Focus Grant from the State that is ran through the City of Greensburg. HottCity will be providing the local match for the grant. The Mayor had been given approval from the Council to sign the contract agreement.

Glenn Tebbe brought up the question that had been brought to the Board about the City taking over the streets at CrownPointe.

Ralph Land Street Commissioner told the Board that he did not recommend the City taking over the streets for snow removal because he did not have anywhere to get rid of the snow.

Board recommended Ralph to contact Bob Navarra and talk with him about his concerns.

Meeting adjourned at 3:25 P.M.
