

COMMON COUNCIL MEETING - SPECIAL
AUGUST 22, 2005
TIME: 6:00 P.M.

Present: Mayor Frank Manus, Helen Gardner, Glenn Tebbe, Ken Dornich, Gary Herbert and Larry Bower.

RE: 2006 Budget Work Session

Council members discussed budgets proposed with the Department Heads and some of the areas they could cut from.

Discussion was also held regarding salaries. Council ask for the Clerk-Treasurer to figure a 2% for employees and 3% for Department Heads, to see how much this would cut with all the re-figurations figured in. This would give them some direction of what can and needs to be done all together.

Salaries will be decided and passed on third reading at the regular Council meeting, September 6th.

The next Council budget meeting will be September 20th when budget will be passed on the final reading.

Meeting adjourned at 9:30 P.M.
