

A few people are trying to collect information on all the boards in Greensburg Decatur County. Information on the board name, meeting dates, current board members, and who are the appointments are some of the facts we would like to collect.

This document will be a work in progress until it is completed. Once all the boards are members are up-to-date, and then the document will only need to be periodically updated.

Anyone that has any information can post the information on the forum or email me at jj@jj0955.com. For those the wish to remain anonymous, you can simply create a free hotmail, yahoo or google email account with some crazy name to email the information.

The term "All elected positions" means just that.

The term: "Appointed" means we know the position is appointed, but are not positive which government entities make the appointments. For example, the school board is appointed by the mayor, city council, Washington TWP and Marion TWP. Since we are not sure who all appoints to certain boards, we just left it "Appointments" until we get the information.

The term: Not known at this time how, or by whom, members are selected or appointed means we do not know anything about the selection or appointment process.

The term "Appointed by Mayor means just that.

It would also be nice to know the paid members on all the boards, and how they acquired the position (who were they hired by). Salary information, if available, would also be nice.

We welcome anyone that is willing to help complete this document.

Downtown Greensburg Development Corporation

The Downtown Greensburg Development Corporation is organized exclusively as a charitable not-for-profit corporation (501c3) and its primary purpose is to promote economic growth and development in the City of Greensburg and Decatur County; to expand employment opportunities through economic development; and to provide opportunities for community development, historic preservation, advancement of the arts, and improvement of the community as a whole. The government does not financially support the Downtown Greensburg Development Corporation.

Mission Statement:

To enhance and to educate our community by preserving the heritage and fostering the development of downtown Greensburg.

Board:

The board of the Downtown Greensburg Development Corporation is not appointed by any government entity.

Board Vacancies:

The directors are chosen from community business and civic leaders who express an interest in serving on the board and who are residents of Decatur County and support the mission and purpose of the organization. Prospective directors are selected by a nominating committee, who have been appointed by the president of the board. A slate of nominees are presented to the board and are elected to the board by a majority vote of the board.
